Please help us by letting us know what type of workshops, scripts, tutors etc you would like to see included in our future programmes. It's really important for us to have your ideas and suggestions so that we can ensure you get the most from your membership. Please note that all workshops are booked a minimum of 12 months in advance. It will not be possible to incorporate your suggestions into the programme for 2017, but will be considered by the Programme Organisers for future workshops.
